

Lake Shore Obstetrics and Gynecology, LLC is working hard to keep our patients and staff safe in the setting of Covid-19.

Lake Shore Obstetrics & Gynecology is following the NMH guidelines for visitors to our office.

For our pregnant patients, we will remain open for your routine prenatal appointments assuming you do not have signs of infection or exposure concerns. If you do have signs of infection or exposure, please contact your health care provider.

For our New OB patients only 1 visitor is allowed at our office for the dr. visit only, not during U/S.

For our 20 week OB patients only 1 visitor is allowed at our office for the dr. visit only, not during U/S.

All other OB appointments, no visitors are allowed.

All other types of appointments, no visitors are allowed.

We will continue to keep you updated so please check our lakeshoreobgyn-chicago.com website for regular announcements.
